

A £12K CHRISTMAS

THE LOWRY HOTEL MANCHESTER IS SELLING THE UK'S MOST LUXURIOUS CHRISTMAS HAMPER

Forget light blue convertibles and yachts under the Christmas tree this year, as Manchester's 5-star, The Lowry Hotel, announces the UK's most indulgent Christmas hamper which comes in just over £12,500. The perfect gold-plated stocking filler!

The new 'Peace, Joy & The Lowry' luxury hamper is a gift like no other. Lucky recipients can get excited about the promise of two nights in the hotel's Charles Forte Presidential Suite – the City's largest penthouse (normally priced at £4000 a night). A 24-hour-a-day personal butler for the duration of their stay, a bespoke in-room dining experience from the award-winning River Restaurant, two 60-minute spa treatments and Chef's Choice dinner for two with Champagne.

And if that simply wasn't enough, the hamper also includes treats to indulge in, right there and then – a bottle of Ace of Spades Champagne, a bottle of Remy Martin Louis XIII, two bottles of Lowry Gin, Lowry Blend Tea from the Manor, flavoured macarons, chocolate truffles, two pairs of Lowry slippers, a Lowry bear, two jars of Lowry honey and an array of Aromatherapy Associates Ultimate Moments Ultimate Collection and Elemis spa gifts. All presented in a deliciously luxuriant presentation hamper.

And whilst you're dreaming of living like a president (It's the only Presidential Suite where a president has actually slept in Manchester) you can tick Christmas day off the list too, as the package also includes Christmas Day @ HOME – The Lowry Hotel's 5-star cook at home Christmas lunch kit. So you can cook like Nigella and only stress about 20% of the cooking, (as there's some assembly required) with 80% of the prep done for you and ready to go.

The menu includes a bottle of Ayala Champagne, and five sumptuous courses including a goat's cheese, beetroot, fig & truffle starter, a fish course of potted Cornish crab, turkey with cranberry and sage stuffing, pigs in blankets, Lancashire Bomb cauliflower cheese, duck fat roasties and Christmas pud with iced redcurrants for dessert.

Adrian Ellis, General Manager at The Lowry Hotel said: "This is THE ultimate gift for those who want to go all out this festive season. Guests will truly be waited on hand and foot – expect a luxury chauffeur experience to and from the hotel, so you can arrive in style and kick off the celebrations."

The 'Peace, Joy & The Lowry' is the perfect Christmas present for that (very) special someone and is just one of the hotel's magnificent gifts this Christmas. The Lowry Hotel has created five Christmas hampers, each packed with everything from festive food and drink delights to 5-star pampering products that will bring a spa feel to any home.
